

TEAMWORK TRAINING

Plants are much more likely to perform well when their people work effectively as a team. A high-performance team understands every member's role and responsibilities and works together towards a common goal – positive food safety culture.

This course unpacks the role of everyone in the plant from owner to operator and everyone in between.

You will learn how to break down the work of food safety and assign responsibility and accountability across your team in a way that makes sense.

THIS TRAINING WILL HELP YOU:

- Communicate clearly and effectively with your team.
- Be confident in building a high-performance team.
- Improve food safety culture at the plant.
